**ELEVENTH SUNDAY IN ORDINARY TIME
JUNE 12, 2016
HOPE AND FORGIVENESS**

There were some interesting conceptions of sin prevalent in the time of the Hebrew scriptures. There was the belief that God punished sin immediately. Those who suffered disease or misfortune were, therefore, sinners getting their due from the Almighty.

Today's first reading hints at another kind of God. When David admits his sin, Nathan declares, "The LORD on his part has forgiven your sin" (2 Samuel 12:13b). Here was not a vengeful God but a merciful God. What good news that must have been to David and those who, like him, could be honest enough to admit their sinfulness!

Jesus is the good news of God's mercy and forgiveness incarnate. Without Jesus, perhaps the good news would have been too good to believe, too difficult to imagine. But there he is in today's Gospel, the God-man, forgiving a sinner and declaring that she is forgiven because of her great love.

TODAY'S READINGS

First Reading — The LORD forgives David for taking the wife of Uriah, and for having Uriah killed (2 Samuel 12:7-10, 13).

Psalm — Lord, forgive the wrong I have done (Psalm 32).

Second Reading — If justification comes through the law, then Christ died for nothing (Galatians 2:16, 19-21).

Gospel — Jesus forgives the woman because of her great love (Luke 7:36 — 8:3 [7:36-50]).

TREASURES FROM OUR TRADITION

Last week's "Treasure" no doubt raised an eyebrow or two with the image of the deacons scurrying through the streets of Rome, or perhaps galloping on horseback, with fragments of eucharistic bread from the bishop's liturgy. These would be dropped into the chalice at outlying celebrations, presided over by presbyters, to express unity with the bishop, and perhaps also to remind the presbyters that they were not free agents. The Council of Laodicea forbade the custom of the *fermentum* in the year 348. Generally, one of the rules of interpreting law is that people don't make laws about things that aren't happening. So, by mid-fourth century, we have an important clue that what had once been a Roman custom had become widespread.

Interestingly, when the Church of England (and its related bodies) went through a liturgical renewal in the mid-nineteenth century, they reclaimed this custom from the mists of history. Today, it is the custom in some Anglican dioceses for a fragment of the host from the bishop's Holy Week liturgy (what we call the Crism Mass) to be carried to every parish. On "Maundy Thursday" (our Holy Thursday), the fragment is dropped into the chalice to signify the parish's communion with the bishop. This modern revival of the *fermentum* is different from the "co-mingling" action we are used to, in which a fragment of the consecrated bread is dropped into the chalice just before Communion.

SUMMER TAIZE' PRAYER SERVICE JUNE 20th

Periodically a Taize' service is held here at St. Michael's. The service consists of musical chants sung repeatedly and includes a period of silence, a scripture reading and prayer intercessions. A small ensemble of singers and musical accompaniment (usually clarinets) help the participants enter into a prayerful state as they blend their voices with the ensemble. Taize' started in France during World War II and continues to this day.

Start the Summer season this year by coming to a quiet place for reflection. The St. Michael Taize' ensemble invites you to attend a 35 minute program of subdued musical chants and prayers. Feel free to take a break from the distractions of the world and meet our Lord and feel the power of His Love in communal song and prayer. Please join us and bring a friend on Monday, June 20th at 7 pm in St. Michael Church. All are welcome!
